

**you** make a difference

**STARS**<sup>®</sup> 2009 donors

## Dear friends,

Our most sincere gratitude is extended to each and every one of our donors and volunteers for your commitment to STARS.

You have truly made a difference over the past year and continue to do so. Even though many corporations and individuals continued to face economic difficulty, you have seen us through this period of time. Your commitment to supporting STARS, combined with our commitment to fiscal responsibility and critical decision-making, has allowed us to effectively weather this economic challenge.

Patient care is and always will be the focus. Last year, we carried out 1,368 missions to 224 communities in Alberta and eastern British Columbia, an average of almost four missions a day. As you are reading this letter, we have now flown over 19,000 missions and are celebrating our 25th year of providing critical care in the air.

Thank you for believing in the vision of saving lives and embracing the value of STARS and our role in the health safety net to provide safe, rapid highly specialized emergency transport and airborne intensive care for the critically ill and injured. Caring for the community and commitment to life are important to all of us.

Some of the accomplishments being celebrated through your generous support in 2009 include:

- The graduation of two classes of the STARS Critical Care & Transport Medicine Academy
- A partnership with industry to launch the Industry Emergency Contact Centre in our STARS Emergency Link Centre
- The celebration of three years of service from the Grande Prairie base
- The procurement of funding to place medical ultrasound technology on the helicopters, a first in Canada

In addition, financial highlights of 2009 include:

- \$1.958 million raised through our annual direct mail campaigns, including address labels, holiday cards and newsletter donations
- \$1.472 million raised through special events by our community volunteers
- \$10.021 million raised through the 16th annual STARS Lottery
- Over \$555,000 in legacy gifts from donors who honoured STARS in their legacy estate planning and memorial gifts
- \$1.272 million raised from the 2010 Calendar Campaign

As a non-profit, community supported organization, STARS relies on your support. Community and volunteer support, corporate and individual donations, sponsorships, and unique fundraising initiatives are very important.

We thank you for your ongoing commitment to making a difference in the communities we serve. You have helped many in their time of need – and it is a team effort to make this vital difference.

D. Gregory Powell, O.C., MD FRCPC

# STARS 2009 donors

The following is a list of donors who gave a gift between January 1 and December 31, 2009. Contributions in this period have been added to past gifts of each donor, placing them in the appropriate cumulative category for the period between 1985 and 2009. Due to space restrictions, we are not able to list donors whose cumulative gift total is under \$500, but we thank you for supporting STARS.

 Mr. Bill and Mrs. Martha Sites  
 Mrs. Betty Skaggs  
 Skilite Construction Ltd.

*"My mother was airlifted by STARS in 2004, and if someone I care about ever requires urgent medical transport again, I want to ensure STARS will be there for them. That's why I chose to leave my own lasting legacy to this life-saving organization by including them in my will. Over the years, STARS has assisted thousands of people, and their patients are not charged for transport. STARS operates through the support of generous Albertans who value the service, and I am one of those grateful supporters. Thank you STARS."*
