DONORS 2010

It's about **the Donors**

Dear Friends

In 2010, we celebrated 25 years of care in the air. This incredible accomplishment was only possible because of the tremendous support we have received over the years from donors and volunteers. Your commitment to making a difference is instrumental in our ability to continue to provide care and air medical transport to critically ill and injured patients.

The power of partnership is what sustains us in our vision of saving lives. Partnerships with the community, corporations, the chain of survival and government are vital to the growth and sustainability of our charitable, non-profit organization.

In 2010, we were fortunate to celebrate many new and renewed partnerships including a 10-year affiliation agreement with Alberta Health Services. This agreement commits to long term partial funding for our bases in Calgary, Edmonton and Grande Prairie.

We also continue to work closely with our northern communities and municipalities which have been generously supportive of our Grande Prairie base. We added three municipal logos to our helicopter fleet in recognition of their incredible support.

Other highlights of 2010 included:

- 1,453 missions carried out in 241 communities.
- Moved into a new hangar in Grande Prairie, thanks to a generous local donor.
- Concluded the final trial program for the STARS Critical Care & Transport Medicine Academy and proceeded with making this Academy a permanent program to benefit medical practitioners interested in air medical transport.
- Recipient of the “Andy” Mynarski, VC Memorial Trophy from the Air Force Association of Canada in recognition of our contributions to aviation search and rescue.

- Contracted by the Canadian Armed Forces to provide medevac support to CFB Wainwright for two exercises.
- Launched an official STARS Facebook page and Twitter site.
- Granted full accreditation by the Commission on Accreditation of Medical Transport Systems. We have successfully maintained our accreditation since 1998.

One of the most amazing opportunities of 2010 came with our anniversary celebrations in Calgary, Edmonton and Grande Prairie where we unveiled our community “thank you” logo to extend our appreciation to each and every one of our donors over the past 25 years, and into the future. During these events, we connected with donors, volunteers and some of our special Very Important Patients (VIPs). Having the chance to visit with our VIPs gives us all an appreciation of why we do what we do. It’s about the patient, and always will be.

We extend our deepest gratitude to you for your continued support. Thank you for partnering with STARS to make a difference in the lives of critically ill and injured patients.

Yours truly,

D. Gregory Powell, O.C., MD FRCPC

The following is a list of donors who gave a gift between January 1 and December 31, 2010. Contributions in this period have been added to past gifts of each donor, placing them in the appropriate cumulative category for the period between 1985 and 2010. Due to space restrictions, we are not able to list donors whose cumulative gift total is under \$500, but we thank you for supporting STARS.
